Stitched Economy

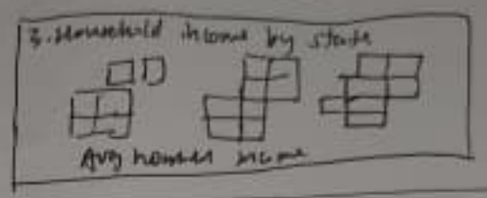

What Malaysia buys, who supplies it, and how prices and shopping seasons change.

FIT3179 Data Visualisation 2
Topic 8: Fashion and Clothing
Monash University Malaysia

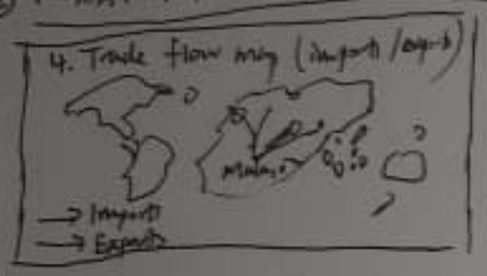

① FASHION AROUND THE MAP → Show where Malaysia's fashion goods come from

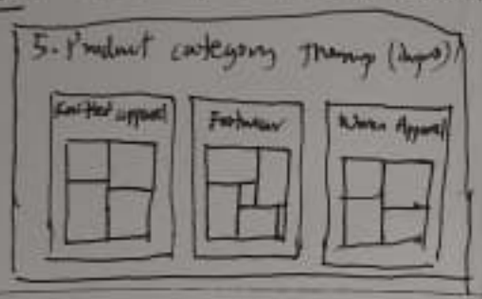

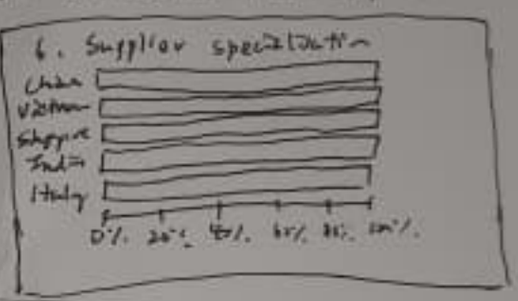

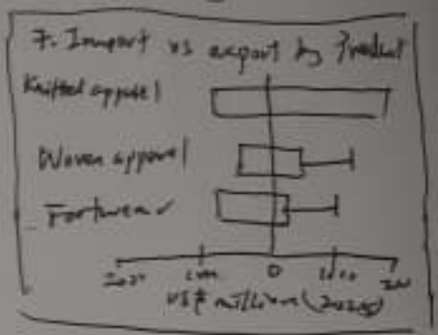

② FASHION PRODUCTS AND SUPPLIERS → Compare product categories, supplier countries and trade gap between what Malaysia buys and sells

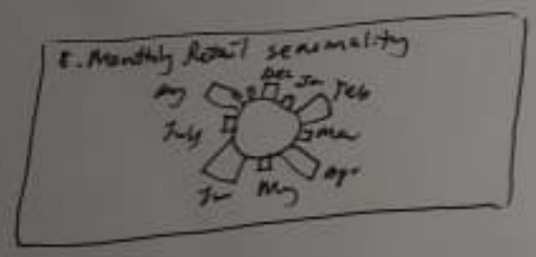

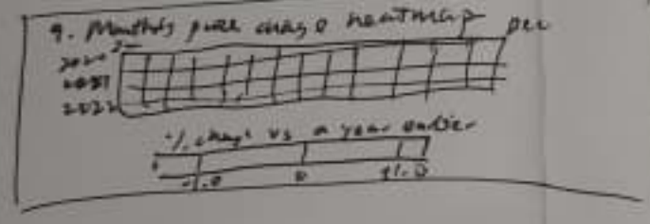

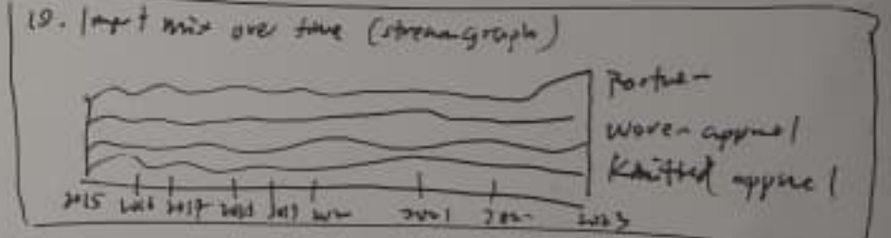

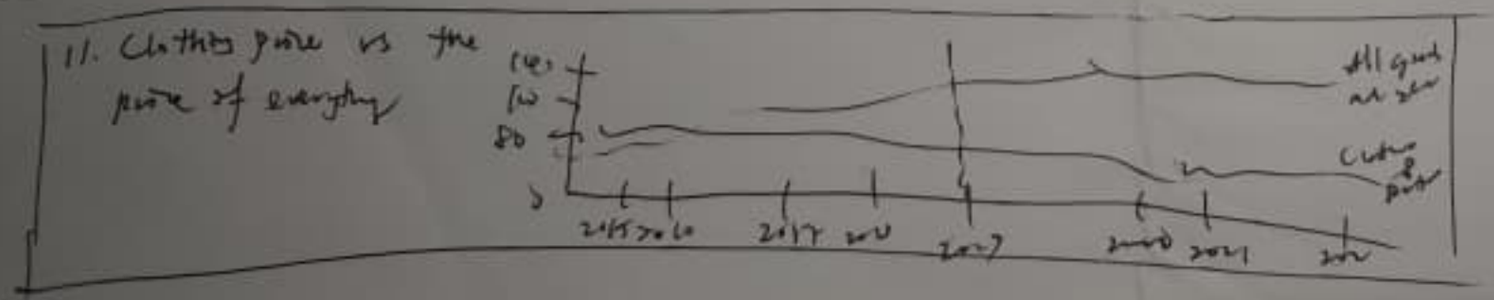

③ RHYTHMS AND SHIFTS → Show when fashion retail rises, and how prices and the import mix changed over time.

④ THE PRICE STORY → Compare clothing prices with the broader cost of living
